

| Equipment Type            | Model        | Description    |  |
|---------------------------|--------------|----------------|--|
| CMM Inspection Arm        | Faro         |                | 12' Radius                             |
| CNC Turret Punch          | Strippit     | FC1250-30-1500 | 60" x 144" Capacity; Fanuc Controls    |
| CNC Turret Punch          | Strippit     | FC1250-45      | 26 Station Turret; Fanuc Controls      |
| Laser Cutter              | LVD          | Impulse 3020   | 3000 Watt; Fanuc Controls, 84"x120"    |
| Plasma Cutter             | Hypertherm   | Powermax 600   |  |
| Plasma Cutting System     | Alltra       | PG14-10LW      | CNC Controls; Power Supply             |
| Plasma Track Torch System | ESAB         | PCM1125        | Koike Track Torch                      |
| Hydraulic Fabricator      | Strippit     | Super 30/40 HD | 34" Throat                             |
| CNC Lathe                 | Daewoo       | Lynx 220LC     | Fanuc CNC Controls; Collet Closer      |
| CNC Lathe                 | Daewoo       | Puma 240       | Fanuc CNC Controls; Collet Closer      |
| Engine Lathe              | Kingston     | HJ 1700        | 17"x 67"                               |
| Radial Drill              | Vanguard     | Z3050X16       | 6' Arm; 50mm Capacity                  |
| Vertical Machining Center | Sharp        | SV-2412        | Fanuc CNC Controls; 12" x 27.5" Table  |
| Vertical Machining Center | Daewoo       | DMV 3016 LD    | Fanuc CNC Controls; 17"x 36"Table      |
| Vertical Milling Machine  | Sharp        |                | 9" x 42" Table                         |
| Vertical Milling Machine  | Excello      | 602            | 9" x 42" Table                         |
| Press Brake               | Cincinnati   | 175CB10        | 175 Ton Capacity; 12' Width            |
| Press Brake               | Di-Arco      | 150-12         | 150 Ton Capacity; 12' Width            |
| Press Brake               | Di-Arco      | 75T-8          | 75 Ton Capacity; 10' Width             |
| Press Brake               | Acro Pacific | 75-10          | 50 Ton Capacity; 10' Width             |
| Press Brake               | Di-Arco      | 14-48-2-17     | 17 Ton Capacity; 8' Width              |
| Plate Shear               | Cincinnati   | 375            | 3/8" x 12' Capacity                    |
| Vertical Band Saw         | Hem          | V100M-2        | 18" Throat; Tilt Frame, Power Clamping |
| Plate Rolls               | Morgan       | 7200           | 5/16" Mild Steel Capacity; 7' Roll     |
| Plate Rolls               | Montgomery   | 4R7218         | 18 Gauge Capacity; 6' Roll             |
| Sheet Metal Roll          | Famar        | A39-10-3       | 10 Ga. X 36" Capacity                  |
| Pemserter                 | Haeger       | HP6-B          | 18" Throat                             |
| Rotary Deburr Machine     | Roto Finish  | Gemini         | 48" Tub, Coolant Recycler              |
| TIMESAVER Belt Sander     | AEM          | 401-37         | Single Head; 36" Belt                  |
| Belt/Disc Sander          | Powermatic   |                | 12" Disc; 6" Belt                      |
